## Homework Schedule Grid

<b>Mon.</b>	5	6		<b>Wed.</b>	5	6	
<b>Tues.</b>	5	6		<b>Thurs.</b>	5	6	

## Spelling

This week we will focus on all short vowels sounds. They will not have a test on specific words but it will be on recognizing what vowel sound is missing in a word.

**\*\*Test on Friday**

## Language Arts

Over the next couple of weeks we will study the many ways that people celebrate the holidays during this time of the year. We will read many books, poems, and sing songs. In addition we will do a lot of writing. Our main focus this week will be about the correct way to write letters. We will also learn the different parts of a letter: greeting, body, date, closing, and author.

## Math

We are beginning a long unit on subtraction. We will begin using manipulatives and move on to the number line and eventually we will be subtracting by counting up. Flash cards make great holiday gifts! After the New Year we will begin mixed timed tests (addition and subtraction).
