Homework Schedule Grid

Mon.	1	5	
Tues.	5	2	
Wed.	5	6	
Thurs.	5	4	

Spelling

Over the next couple of weeks we will be reviewing MAP words that we have had in the past. Please work hard to learn these words.

little always nurse right many
said which seat these able

Math

We will begin a unit about shapes. We will begin with 2 dimensional and then move on to 3 dimensional shapes. We will continue our mixed facts timed tests.

Language Arts

This week we will continue to read several books by my favorite author Robert Munsch. These books are hilarious and your children will love them! We will use his books to help us with several writing activities and we will review story maps and problem and solution. We will also talk about verbs(action words). In addition, we write letters to Mr. Munsch. In the past he has written us back and even included us in a story that he writes especially for 1E!
