NOTES

- Please help your child with their Multiplication Facts. Some of them are still struggling with the basic facts. With the next Wednesday folders, I'll be sending home the past 4 timed tests they have taken and a blank copy if they haven't passed. They should be able to answer 100 questions in 6 minutes.
- Congratulations to our Terrific Kids for September – 5D: and 5E: Lukas Petrillo! We are so proud of you!
- CAMPERs: There will be a Parent Meeting for all students attending camp. We are still finalizing the date, but will let you know as soon as it is confirmed.

WHAT WE ARE LEARNING

Math: They will have the Chapter 2 Test on Tuesday, October 2nd. Please make sure they take some time to study over the weekend.

Social Studies: We will continue with Chapter 10 next week. I plan to test next Monday, October 8th.

Science: We will be planting our seeds for the terrarium section of our Eco column. We will also continue taking notes on Ecosystems. Our next section focuses on the "roles that organisms play in their environment". Look for a Test Study Guide to come home for a test on Friday. It will include terms on the Vocab. List for #s 1-17.

Roots: We will be working on Lesson 3. Quizlet has awesome practice sessions. Just type in quizlet.com, classical roots book 5 and the lesson number.

Grammar: We will continue our study of verbs. IXL has many practice sessions to help prepare for assessments. Look for a Test Study Guide to come home for a test on Thursday. They will have to be able to identify the verb in the sentences, both action verbs and linking verbs. See Tip Sheet in binder to study.

Writing: We will be writing a Haunted House story.

DOM & DOL: Week 6
