We had so much fun at our Charlie Brown Thanksgiving Feast. Thank you to everyone who helped set up the treats for us, we couldn't have done it without your help!

December 3– December 7, we will have Santa's Shop in the multipurpose room. If your child wants to go shopping for their family, please send in money, and we will take them! The store is from 50 cents to \$10.00. More information will come soon!

Next Week: In Social Studies, we will be learning about Kindness.

In Math, we will finish up Addition and start on Subtraction.

Please review *SRA* worksheets nightly and initial. This will be nightly homework until the end of the school year.
