## SIGHT WORDS

We only have 4 months left of school, and your child should know their sight words quickly by now. If your child does not, please make sure that you are practicing sight words with your child nightly. We put flashcards with a new sight word each week in your child's folder so your child can practice at home. Thank you!

MAP testing will be on January 22nd–January 25th. We will let you know what day K6 will do their testing. Make sure your child eats a healthy breakfast and sleeps well the night before! More details will come soon!
