NOTES FROM MRS. W:

- MAP Testing is this Thursday and Friday. I want everyone to make sure to get a good night's sleep and eat a healthy breakfast. I hope to see that every child makes gains from their fall score to get them closer to their end of year goal. Please help me motivate and encourage your child. It's important they take this seriously and try their very best!
- This Friday night is **Bingo Night!** Thank you to everyone that signed up to send in a baked good. We are so excited for a night of family fun at the Grove!
- Next Friday, Feb. 1st is the **100th Day of School!** First graders dress up as if they are 100 years old on this day. It's usually a pretty silly day of looking very OLD! Suggestions to help age your child are baby powder in the hair or gray wigs, dresses, suspenders, glasses, etc. Have fun with it. It is not required but makes for a fun day if your child chooses to participate!
