## NOTES FROM MRS. W:

- Our PTO performance is March 12<sup>th</sup>. We will be doing a frog themed performance. Students should wear a green shirt and jeans that night. Students should plan to come directly to our room at 6:20 that night. Parents will be directed straight to the cafeteria to get a seat and listen to the PTO meeting prior.
- March 16<sup>th</sup> is **Spring Fling!** Our class is responsible for the small purple Jump Castle. Thank you to everyone that has signed up to volunteer that day. We are very excited for all the fun! All our time slots have been filled! Click the link below to check the time you signed up for.

- We will have 3 special "**March Madness**" Style Days in March to collect money for the silent Auction. These style days fall on a Wednesday and were not covered in the pre-paid days at the beginning of the year. Everyone must send in a \$3 for the first one (this Wednesday, March 6<sup>th</sup>) to cover the cost of our kid-created auction item and \$1 on the remaining two to go towards the auction committee. Thank you so much!
- Thank you to Frances Bowman and Meghan Moody for taking on the **kid-created auction item** project for our class. They came in last week to work with the kids on our pottery plate. We can't wait to see the finished product! I know it will be a best seller! The money collected on the first style day in March (\$3) will cover the cost of these supplies and materials. Thanks again, ladies!
- Our class will preview the **Book Fair** on Thursday (3/7) and have the opportunity to shop on Friday (3/8). Please send money in a labeled envelope. A flier came home a few weeks ago with books students may want to think about purchasing!
