## NOTES FROM MRS. W:

- Our PTO performance is this Tuesday, March 12<sup>th</sup>. We will be doing a frog themed performance. Students should wear a green shirt and jeans that night. Students should plan to come directly to our room at 6:20 that night. Parents will be directed straight to the cafeteria to get a seat and listen to the PTO meeting prior.
- March 16<sup>th</sup> is Spring Fling! Our class is responsible for the small purple Jump Castle. Thank you to everyone that has signed up to volunteer that day. We are very excited for all the fun! All our time slots have been filled! Click the link below to check the time you signed up for.

- We will have 2 more special "March Madness" Style Days in March to collect money for the Silent Auction. These style days fall on a Wednesday and were not covered in the pre-paid days at the beginning of the year. Please send in \$1 or more to cover the costs of our kid-created item and grade level themed baskets. Thank you to Frances Bowman and Meghan Moody for taking on the kid-created auction item project for our class. We are still about \$32 short to pay the ladies back. Any donation you can make towards this would be awesome! Any remaining money after that will go towards the Silent Auction Committee.
- Our class went to the Book Fair last week! However it is still open this week. There are Open Shopping times at the end of every day and the Book Fair will be open after our PTO performance on Tuesday. So if your child did not have a chance to shop there is still time!
- Pictures with the Easter Bunny are Thursday. You may send your child in their Easter Best if you paid in advance for the photos. Thank you!
