3A's WTR: This week, we will be learning about dictionary skills like guide words and words with multiple meanings. The Lesson 6 Wordly Wise test is this Wednesday.

Spelling: Lesson 24-Two activities due Fri.

Grammar/Writing: We will finish our study of adjectives, and our test will be Friday. We have completed our rough draft and we're now typing our essay of "Cats vs. Dogs".

Math: We will finish the chapter of fractions, and our test will be Wednesday. Next, we will be telling time in Chap. 11.

Science: We will continue to learn how to identify different types of soil. We will conduct an investigation on Wednesday, and have our test on Friday. Afterwards, we will be "Eating Dirt" as our Fun Friday treat. We will have a super time making a model of the soil's layers using chocolate chips, Oreos, and Hershey's syrup. If our soil is rich with minerals, then we will get some gummy worms. ☺

Social Studies: Lesson 2-Famous soldier and battles in South Carolina. Test is Tues. Then, we will finish the chapter before Spring Break and start learning about the Civil War when we return.
