NOTES FROM MRS. W:

- o Happy April Fool's Day! We had quite a few chuckles today here in 1D! You'll have to ask your child what funny business went on.
- o **Report Cards** will come home Wednesday. Please take everything out of the red report folders. These are all copies for you to keep for your own records.
- o It's hard to believe we have already reached April! I will be sending home a letter soon that includes all of the important dates until the end of the year. Our last round of MAP testing is the week of April 29th. From then on there will be a whirlwind of dates to keep up with so please keep this information in a safe place so you are aware of everything we have going on until the end of the year! I just LOVE Spring in first grade. We have so much to look forward to. Let's finish this last quarter strong!
