

## TEST DATES

April 29 – MAP math test  
May 13- SC READY reading test  
May 14- SC READY writing test\*  
May 15- MAP reading test  
May 16- SC READY math test\*

\*Please note changes

**3A's WTR:** We are not switching this week because of the field trips and the short week. We will be writing and doing test prep during our reading block.

**Spelling:** No words this week.

**Grammar/Writing:** This week, we will only focus on writing expository pieces and citing evidence from text.

**Math:** We did a lot of "perimeter/area" practice and now we will start Ch.12-graphs on Wednesday. Our test will be next week. After Easter, we will also be learning about geometry in Chapter 14. Luckily, they have already had a RIT band class on geometry in December.

**Science:** This week, we will learn about the life cycles of plants. We will be sprouting seeds on Wednesday which will go along with our "Seed" Spring Party on Thursday. Next week, we will start learning about ecosystems in our text.

**Social Studies:** They have been working on the Lesson 2 study guide in class. They will have homework to complete the guided notes before the test this Thursday. After Easter, we will finish the school year learning about the Civil War & Reconstruction.

### AR Points for the Week:

Students should have at least 5 AR points for the quarter by the end of the week.

## 3A's Days April 8, 2019
